

We hope you will join us for our second RFA luncheon meeting of the fall semester on Monday, October 2, from 12:00 noon to 2:00 at the Friday Center.

Our topic will be **“Thinking About Artificial Intelligence (AI).”**

Our speaker will be **Dr. Lee Nackman, a UNC Computer Science alumnus with a distinguished career in development and senior leadership of many types of computer applications at IBM, Microsoft, and Hewlett Packard among others.**

We hope you will join us for a good lunch, an engaging speaker, and stimulating conversations with your fellow emeritus/a faculty members. Spouses and guests are also welcome.
